There are no mandatory vaccinations required for traveling to South Africa, Zimbabwe, Namibia and Zambia. We do recommend you speak with your doctor for advice based on your medical history.

**Malaria is always a concern when traveling to Africa.** Your doctor will best prescribe the necessary medications based on the areas you are traveling to.

## Important Information - Yellow Fever Advisory

### Yellow Fever Advisory

The yellow fever virus is found in tropical and subtropical areas of Africa and South America. The virus is spread to people by the bite of an infected mosquito. Yellow fever is a very rare cause of illness in U.S. travelers, however to prevent getting sick from yellow fever, use insect repellent, wear long-sleeved shirts and long pants, and get vaccinated.

The International Certificate of Vaccination for Yellow Fever is:

•**required in all countries** **IF** you have traveled from/through a known Yellow Fever area/country in the past 6 months. This includes travel in Africa or Central/South America.

Please be certain to arrange for Yellow Fever vaccination at least two weeks prior to travel. You will want to keep your Yellow Fever vaccination certificate with your passport at all times.

**IMPORTANT NOTE:** Countries may change their vaccination requirements with out notice In some instances border agents may use their discretion to require on-site vaccination, despite officially stated requirements.

Further details can be found via Centers for Disease Control at [www.cdc.gov/yellowfever/index.html](http://www.cdc.gov/yellowfever/index.html) or the International Association of Medical Assistance for Travellers at [www.iamat.org/risks/yellow-fever](http://www.iamat.org/risks/yellow-fever)

## Important Information - Luggage Requirements (Light Aircraft Charter Flights)

On ALL light aircrafts, only soft bags will be accepted - no hard suitcases, as they physically cannot fit into the aircraft. Duffel bags without wheels are preferred. This includes camera equipment and hand luggage.

**Luggage Dimensions:** The maximum dimensions of the soft bags are as follows: 25cm (10 in) wide x 30cm (12in) high x 62cm (24in) long (to fit through the opening of the cargo hold). Please keep in mind that the baggage compartments on the light aircraft are only 25 cm (10in) high, so the pilots must be able to manipulate the bag into the compartment.

## Important Information - Local Currencies

*Prior to travel it is important to be certain your bank and credit card issuers know you will be traveling abroad so your cards are not locked due to security concerns.*

### Southern Africa

USD is accepted throughout Southern Africa for tips. Please see specific country notes below to see if USD is accepted for other purchases. In the event you need to obtain local currency, you can easily use local ATM's to withdraw cash. Your hotel/lodge may also be able to assist, or can suggest a nearby bank or Bureau de Change you may wish to visit.

**Namibia:** Namibian Dollar - South African Rand is also accepted. USD is accepted for tipping, but not for other cash purchases.

**South Africa:** South African Rand USD is acceptable for tipping, but other cash purchases/payments should be made in Rand.

**Zambia:** Zambian Kwacha- USD is acceptable for tipping, but other cash purchases/payments should be made in Kwacha.

**Zimbabwe:** US Dollar and Zimbabwe BOND NOTE: While it is not advised to carry large amounts of cash, please note that credit and debit cards are not widely accepted. It is possible to withdraw cash from some ATMs, however, IT IS NOT advisable to rely on this service being available throughout Zimbabwe. Be sure you enter the country with sufficient funds to cover restaurants and extra activities as there is not always access to cash. We recommend USD200 to cover extra activities & park fees not pre-booked, and USD200 to cover any shopping and additional charges per person while at Victoria Falls. It is advisable to have small denomination notes, as change is rarely available (\$1s, \$5s, and \$10s).

*Zimbabwe has recently adopted the ZIMBABWE BOND NOTE, in addition to keeping the US DOLLAR. Please try not to use the ATMs, as ZIMBABWE BOND NOTES are not used outside of Zimbabwe borders.*
